

Lazard Investment Funds

Supplementary Information Document (SID)

This SID was prepared in September 2019. It is for UK based investors only and applies to investments in the sub-funds (each a “Fund”) of Lazard Investment Funds (the “Company”).

This SID is designed to accompany the prospectus of the Company as well as the Key Investor Information Document (“KIID”) of your chosen share class of your chosen Fund(s), both of which can be found on www.lazardassetmanagement.com.

Key Investor Information Document

The KIID provides you with the key details of a Fund that should be considered carefully before making an investment decision. The KIID includes information on investment objectives, risks, past performance and other practical information. The investment objective of each Fund is summarised in the relevant KIID and listed in full in the prospectus of the Company. If you invest, we will ask you to confirm that you have read the latest KIID for the relevant share class of the relevant Fund that you have chosen to invest in.

About your investment

What if you change your mind?

If you made an investment in a Fund following a personal recommendation from your financial adviser, you are entitled to cancel your investment if you change your mind. If you wish to cancel, you need to tell us within fourteen days from the day you receive the confirmation of your investment.

To cancel, you need to notify us within the fourteen day period by sending a letter to Bank of New York Mellon (International) Limited, c/o Lazard Fund Managers Limited, PO Box 364, Darlington DL1 9RD. If you cancel, you do not need to pay any extra fees (but your financial adviser and/or tax adviser may still charge you). We will unwind your investment and return the proceeds to you. These may not match the original investment amount if market movements have affected the price. If you do not cancel within the fourteen day period, your investment in the Fund will continue until you decide to sell it.

This right to cancel does not apply if you invest directly, as the KIID and T&C’s have been accepted before investing.

What if we cannot pay amounts owed to you?
